EMAC6373 - Emerging Media Studio I

EMAC 6373 Emerging Media Studio I (3 semester credit hours) This course explores media production across multiple media. Students work in teams to develop meta-media projects in a variety of content delivery environments. Class will require students to develop a range of rhetorical (text, audio) and visual (image, video) strategies appropriate for emerging media. May be repeated for credit (9 semester credit hours maximum). (3-0) T (2016-02-06 00:19:12)
