MAIS5V03 - Internship

MAIS 5V03 Internship (1-6 semester credit hours) Students participate in self-directed experiential learning. They are required to reflect and research issues in a contemporary workplace site. Students undertake a new learning experience at a faculty-supervised work situation in business, government, or social service agency, arts institution, or other setting appropriate to the student's concentration. An internship provides exposure to a professional working environment, application of theory to working realities, and an opportunity to test skills and clarify goals in a specific field. May be repeated for credit (6 semester credit hours maximum). Instructor consent required. ([1-6]-0) S (2016-02-05 23:48:45)
