

BIOL3v82 - Clinical Medicine II

[BIOL 3v82](#) Clinical Medicine II (1-6 semester hours) Clinical Medicine II addresses clinical competencies in the medical profession, building on skills already addressed in Clinical Medicine I and other parts of the UT PACT curriculum. Topics to be addressed include the application of basic science to clinical practice, interpersonal skills in medicine, cultural competency, and professionalism and medical ethics in clinical settings. Students participate in small group sessions and clinical preceptorships and rotations at UT Southwestern Medical Center. Enrollment is limited to students who have completed their second year in the UT PACT Program. May be repeated for credit with permission of UT PACT advisor. Prerequisite: [BIOL 3V81](#). ([1-6]-0) Y
