

PSCI4313 - Politics of China

[PSCI 4313](#) Politics of China (3 semester credit hours) This course focuses on China's political history, the three political systems of modern China and how it is connected with the world, in particular the United States. Students will study China's political and economic development, its role in the global economy and the potential for a new world order. The course addresses special issues, especially the democratization of Greater China including Taiwan, Hong Kong, and Macao and China's own democratic experiments in local village elections. (3-0) R
