**MAIS 5335** Crisis Communication in Schools and Organizations (3 semester credit hours) An advanced in depth look into crisis communication, strategies and management focusing on organizational and educational institutional responses in crisis situations. Specific past crisis events are examined, positive and negative responses are dissected, lessons learned are investigated and future management strategies for organizations, agencies and schools are formulated so that students may take these skills back to their respective current and future employment environments and implement these strategies. (3-0) Y

**MAIS 5390** Costa Rica Experience (3 semester credit hours) Costa Rica is world famous for its dedication to the concept of sustainability. This field trip class will visit different locations in Costa Rica to better understand the diversity of its environment, its non-human primates, its practices that of course may vary from year to year but the major emphasis is sustainability. This course has a service learning component. Student must be in good standing. Instructor consent required. (3-0) R

**MAIS 5V03** Internship (1-6 semester credit hours) Students participate in self-directed experiential learning. They are required to reflect and research issues in a contemporary workplace site. Students undertake a new learning experience at a faculty-supervised work situation in business, government, or
social service agency, arts institution, or other setting appropriate to the student’s concentration. An internship provides exposure to a professional working environment, application of theory to working realities, and an opportunity to test skills and clarify goals in a specific field. May be repeated for credit (6 semester credit hours maximum). Instructor consent required. ([1-6]-0) S

**MAIS 5V04** Independent Study (1-6 semester credit hours) May be repeated for credit as topics vary (6 semester credit hours maximum). Instructor and MAIS advisor consent required. ([1-6]-0) S

**MAIS 5V38** Co-Op Education (1-3 semester credit hours) Students completing this course will integrate academic learning with their co-op work experience. To attain this goal, students will keep a journal of their workplace experience, maintain contact with the instructor, and prepare a written report that focuses on the accomplishments and insights gained through their co-op experience. May be repeated for credit as topics vary (6 semester credit hours maximum). Instructor consent required. ([1-3]-0) S
