Undergraduate Admission

Transfer Student Admissions

Applicants to The University of Texas at Dallas who have previously completed college level coursework beyond high school graduation (excluding the summer following graduation) at an accredited institution will be reviewed for admission as a transfer student.

The University of Texas at Dallas accepts applications for admission from transfer students for the fall, spring, and summer semesters. UT Dallas welcomes applications from students who have begun their college work and are in good standing at other institutions of higher education.

Automatic Admission for Eligible Transfer Students

Section 51.8035 of the Texas Education Code establishes criteria for automatic admission to The University of Texas at Dallas for eligible transfer students who began their studies at a Texas institution of higher education following high school graduation.

To be eligible for automatic transfer admission under section 51.8035, a prospective transfer student must have:

1. Qualified for automatic admission to a Texas institution of higher education at the time he or she graduated from high school, or was previously offered admission under this provision.

2. First enrolled in a public junior college or other public or private lower-division institution of higher education not earlier than the third academic year before the academic year for which he or she is seeking admission to the University.

3. Completed the core curriculum at a public junior college or other public or private lower-division institution of higher education with a cumulative grade point average (GPA) of at least 2.500 on a 4.000 point scale, or the equivalent.

4. Submitted a complete application for transfer admission by the deadline.

To take advantage of the automatic admission option, the applicant must submit to UT Dallas, by the deadline, information that "expressly and clearly" claims entitlement to admission under this provision.

The University may accept transfer credit only for academic post-secondary coursework completed with a grade of C (2.000 on a 4.000 point scale) or higher. The University of Texas at Dallas does not offer credit for non-academic coursework such as vocational, developmental or remedial studies, nor does it grant credit for prior experiential learning. Coursework that is accepted for transfer credit is applicable toward satisfying requirements for a specific UT Dallas major according to the same criteria as those used for equivalent UT Dallas courses. Information about resolution of transfer disputes involving lower-division courses can be found in Appendix II.

Prospective transfer students from Dallas area community colleges should refer to the UT Dallas
Transfer Guides, available at the UT Dallas Office of Admission and Enrollment, online at [www.utdallas.edu/enroll/apply/texas.php](http://www.utdallas.edu/enroll/apply/texas.php), and at the community college academic advising offices to learn more about curricula appropriate to the various UT Dallas majors.

As soon as an application for admission, transcripts and any required test scores have been received, the Office of the Registrar will evaluate the student's record to determine which credits earned at another domestic college or university will transfer to UT Dallas. The Office of Admission and Enrollment will evaluate the student's record to determine which credits earned at another international college or university will transfer to UT Dallas.

The application of transfer credit to degree plans must be completed within the first semester of enrollment. An undergraduate advisor in the student's major, in consultation with the Associate Dean for Undergraduate Education, will determine how the transfer credits apply towards UT Dallas degree requirements. The faculty, acting through the Associate Dean of Undergraduate Education, has the ultimate responsibility for applying transfer credit to their specific major requirements. Students are urged to contact their advising office upon receipt of the letter informing them of their admission to UT Dallas.

Transfer students who begin their semester with 45 or more semester credit hours are required to file a degree plan with UT Dallas no later than the end of the student's regular semester in accordance with [Texas Education Code](https://laws.utdallas.edu/2015/undergraduate/admission/transfer-student-admissions), Section 51.9685, subsection C.

Applicants seeking admission to UT Dallas should be aware that they will need at least 51 upper-division semester credit hours to graduate (see "Graduation Requirements" located at [http://catalog.utdallas.edu/2015/undergraduate/policies/graduation#graduation-requirements](http://catalog.utdallas.edu/2015/undergraduate/policies/graduation#graduation-requirements)).
