Degree Requirements
The Master of Science in Marketing program (MS MKT) is designed to meet the needs of students in today's data driven marketplace, where the exponential growth in data generated from store scanners and Web transactions, navigation, search, and more recently, social media, requires new marketing skills and knowledge. Students may choose any of the tracks below as part of their degree program.

- Advertising and Brand Management
- Business Development and Sales
- Digital Advertising and Marketing
- Marketing Analytics and Customer Insights
- Marketing Management
- Product Management

The Master of Science in Marketing is designed for students with or without previous educational background in this area. Courses are primarily offered in the late afternoon and evenings of weekdays. Several courses are currently offered online.

At least 36 semester credit hours of management coursework is required for the Master of Science degree, including six semester credit hours of business core courses, nine semester credit hours of marketing core courses and 21 semester credit hours of marketing focused core courses and/or electives depending on the track chosen. Students can obtain a dual MS and MBA degree by taking a total of 63 semester credit hours (assuming they meet all the degree requirements for both programs). Students must maintain a 3.0 grade-point average (GPA) in both core courses and in aggregate courses to qualify for the MS degree.

Prerequisites
Calculus is not a requirement or prerequisite for the MS in Marketing degree program.

Course Requirements

**Business Core Courses: 6 semester credit hours**

- [MKT 6301](#) Marketing Management
- [OPRE 6301](#) Quantitative Introduction to Risk and Uncertainty in Business
