ARTS 3364 - Silkscreen Printmaking

ARTS 3364 Silkscreen Printmaking (3 semester credit hours) This course will focus on the creation of silkscreen prints, addressing issues of process, technique, and image development. Students will begin with color field printing and will then move to color process printing and computer-generated image transfers. The use of silkscreen as an art medium incorporated into other traditional mediums will be encouraged as a way to expand the potential application of artistic imagery and effects. Prerequisite: ARTS 1316 or ARTS 2316 or ARTS 2380 or instructor consent required. (0-3) Y
