FIN 3300 - Personal Finance

This course is designed to help students prepare for a financially challenging world and to introduce the concepts and methods of personal financial planning. The financial planning process, the time value of money, taxation, credit, budgeting, housing, insurance, and employee benefits will be explored. The course will enable students to manage their finances and develop their own personal financial plans. May not be used to satisfy degree requirements for majors in Accounting and Finance. Credit cannot be received for both courses, FIN 3300 or FIN 3330. (3-0) S
