**UNIV 2074** Introductory University Engagement and Applied Leadership I (0 semester credit hours) This is a required course for all students selected to serve as first-year mentors in the Freshman Mentor Program. We live in a time of unique social contexts and continuous change. This dynamic presents several potential challenges and necessary adjustments for young adults as they transition to the independence and period or personal development that occurs in college. This class provides the administrative structure and resources for the Freshman Mentor Program. Weekly topics along with monthly discussions will afford first-year mentors an opportunity to develop an understanding of the importance of university engagement and leadership from an applied perspective. First-year mentors are required to actively participate in online discussion groups and during in-person monthly meetings. Credit/No Credit only. May be repeated up to three times. Instructor consent required. (2-0) Y

**UNIV 2075** Introductory University Engagement and Applied Leadership II (0 semester credit hours) This is a required course for all students selected to serve as first-year mentors in the Freshman Mentor Program. We live in a time of unique social contexts and continuous change. This dynamic presents several potential challenges and necessary adjustments for young adults as they transition to the independence and period of personal development that occurs in college. This class provides the administrative structure and
resources for the Freshman Mentor Program, and is a continuation of **UNIV 2074** - Introductory University Engagement and Applied Leadership I. Weekly topics along with monthly discussions will afford first-year mentors an opportunity to develop an understanding of the importance of university engagement and leadership from an applied perspective. First-year mentors will continue and build upon required discussion group participation through deliverables related to specified learning outcomes. Credit/No Credit only. May be repeated up to three times. Instructor consent required. (2-0) Y

**UNIV 2114** Portfolio Seminar for UT PACT Students (1 semester credit hour) The purpose of this seminar, required of all students enrolled in the UT PACT program, is for students to work on their professional development portfolios. Students will meet regularly with the program assessment director to discuss elements to be added to their portfolios and other issues related to their completion of the UT PACT requirements. Enrollment is limited to UT PACT students. Credit/No Credit only. UT PACT advisor consent required. May be repeated for credit (6 semester credit hours maximum). (1-0) S

**UNIV 4395** Topics: Online Education in a Massively Multiplayer Virtual World (3 semester credit hours) The internet is rapidly reshaping the landscape of education at all levels. This course seeks to inspire new innovation in the world of online education through gaming with focus on social media, computer programming, chemistry and economics. This course will consist of a combination of lecture periods, reading and hands on project development partially based around UT Dallas developed Minecraft mod, Polycraft World. Students must obtain a Minecraft license and a free Polycraft account. Open to all majors. Instructor consent required. (3-0) S
**UNIV 4V96** Special Topics II (1-3 semester credit hours) May be repeated for credit as topics vary (6 semester credit hours maximum). Instructor consent required. ([1-3]-0) S

**UNIV 4V97** Independent Study (1-3 semester credit hours) Independent study under a faculty member's direction. Credit/No Credit only. May be repeated for credit (6 semester credit hours maximum). Instructor consent required. ([1-3]-0) S

**UNIV 4V98** Internship (1-6 semester credit hours) Students undertake a new learning experience at a faculty-supervised work situation in business, government, or social service agency, arts institution, or other setting appropriate to the student's concentration. Sites may be local, out of state, or abroad. An internship provides exposure to a professional working environment, application of theory to working realities, and an opportunity to test skills and clarify goals in a specific field. Experience gained may also serve as a work credential after graduation. Course requirements include writing a journal and research paper connecting theory to practice. This course is open to all majors at UT Dallas. Credit/No Credit only. May be repeated for credit (6 semester credit hours maximum). Instructor consent required. ([1-6]-0) S
