School of Economic, Political and Policy Sciences

Public Policy (BS)

The Public Policy program is an interdisciplinary academic program, drawing upon the insights of Political Science, Economics, and other related fields, to help students to tackle the "wicked problems" in domestic public policy.

The Bachelor of Science in Public Policy is a degree program intended for individuals who will systematically analyze public policy issues, implementation, and analysis. Students will be prepared for entry-level analytical and administrative positions in a wide array of professional settings in the public, nonprofit, and private sectors.
