Tuition and Financial Aid

About Tuition and Financial Aid

As a state supported institution of higher education, The University of Texas at Dallas is required to comply with all state laws and approval by the UT System Board of Regents in the assessment and collection of tuition, fees, and deposits. The tuition, fees, and deposits listed herein are subject to change by legislative or regental action and changes become effective on the date enacted. Pursuant to Chapter 54, Texas Education Code, each student who registers is required to pay tuition and fees appropriate to the student's residence classification and according to the number of semester credit hours for which he or she has registered.

In accordance with state laws, a student is not entitled to enter a class or laboratory until registered and all tuition, fees, and deposits have been paid. The University of Texas at Dallas utilizes a consolidated tuition rate, which is capped at 12 semester credit hours for all students. The consolidated tuition and fee rates cover all academic program costs, including tuition, mandatory fees, and most of the college and course incidental fees. Additional fees that will be charged separately are: field trip fees, supplemental designated tuition fees and distance education fees. The Tuition and Fee Tables can be found on the Bursar Office website.

Residency Classification for Tuition Purposes

Residency classification for tuition purposes at Texas colleges or universities is in accordance with Title 19, Part 1, Chapter 21, Subchapter B of the Texas Administrative Code and the rules of the Texas Higher Education Coordinating Board for determining residence status. A person classified as a nonresident for tuition purposes may qualify, under certain exceptions specified in the rules, for resident tuition rates and other charges, while he or she continues to be classified as a nonresident for tuition purposes. Please consult these websites concerning residency classification for tuition purposes provided by the State are Texas Administrative Code website and www.collegeforalltexans.com. Please consult The University of Texas at Dallas' website for residency information and procedures, www.utdallas.edu/residency.

It is the student's responsibility to establish, prior to registration, the correct residence classification through the Office of the Registrar. Likewise, any student wishing to request a change of residence status for tuition purposes should do so through the Office of the Registrar. This will require completion of a residency questionnaire and the provision of documents to support the claim of Texas residency. Rules and regulations for determining residency, or for obtaining a waiver to pay resident tuition even if one is a non-resident, are found at www.utdallas.edu/residency. Final authority of appeal for review of residence decisions rests with the Office of the Registrar.

For residents of Oklahoma, tuition is the Texas resident rate shown plus thirty dollars ($30.00) per semester credit hour. Oklahoma residents must apply for this tuition waiver each semester through the Office of Financial Aid.

Tuition Plans

Beginning with the 2018 - 2019 academic year, all new incoming students will have the opportunity to choose from two rate plans: the guaranteed tuition plan and the variable tuition plan. The guaranteed tuition plan locks in your rate for 4-years (12 consecutive
Variable Tuition Rate Plan

The 2018 - 2019 variable tuition plan rates are valid for fall 2018, spring 2019 and summer 2019. The variable tuition rate plan is based on a traditional plan that locks tuition rates one academic year at a time. The rates on the variable tuition plan are subject to increase each academic year. The charges per semester credit hour for tuition and mandatory fees at UT Dallas depend on the number of semester credit hours for which a student enrolls. Other User Fees for courses and services including, for example, parking, and housing fees, are subject to change.

Guaranteed Tuition Plan

Beginning fall 2007, The University of Texas at Dallas introduced the Guaranteed Tuition Plan. The Guaranteed Tuition Plan is designed to help new students and their families better plan for the cost of a college education, while allowing the University to maintain the quality of its academic programs. Under the terms of the plan, undergraduate students enrolling at UT Dallas for the first time for the fall 2018, spring 2019, and summer 2019 semesters are charged for tuition and mandatory fees fixed at a rate that is good for 12 consecutive semesters including summer terms. The charges per semester credit hour for tuition and mandatory fees at UT Dallas depend on the number of semester credit hours for which a student enrolls. Other User Fees for courses and services including, for example, parking, and housing fees, are subject to change. More information on the Guaranteed Tuition Plan can be found at www.utdallas.edu/tuition.

In the event a student is unable to complete their degree requirements in four years, that student will be advanced to the subsequent Guaranteed Tuition rate. Students enrolling after three consecutive semesters have elapsed will be placed in the Guaranteed Tuition Rate plan applicable to all new incoming students. Students who graduate from UT Dallas before their rate plan expires may retain their current Guaranteed Tuition Rate as a graduate student. Additionally, if the student maintains consecutive enrollment and reaches the end of their Guaranteed Tuition Rate period, they will be moved to the next subsequent Guaranteed Tuition Rate plan. Students enrolling after three consecutive semesters have elapsed will be placed in the Guaranteed Tuition Rate plan applicable to all new incoming students.

Tuition Installment Payments

Students may elect an installment plan to pay tuition and fees for the full term fall, spring, and eleven week summer semesters. The installment payment plan, authorized under Section 54.007, Texas Education Code, allows the student to pay their tuition and fee balance in three equal payments. A $25.00 fee per semester will be assessed to each student who elects to pay by installments. Additionally, a late payment fee of $30.00 for delinquent payment will be assessed each time an installment is not paid by the date it is due. If the installment is not paid in full by the third due date, it begins accruing interest at the rate of 10% per year until it is paid in full.
Nonpayment of Debt

Students must pay by the published deadline to avoid late fees and/or possible dropping of classes. Students should NOT expect classes to be automatically dropped for nonpayment. Please be advised it is the student's responsibility to confirm that he/she has been dropped from all classes for nonpayment to avoid being assessed late fees or penalties.

Students who have not paid in full or enrolled in a payment plan by the posted payment deadline may have their registration cancelled. If a student's registration is canceled for nonpayment, and that student wishes to reinstate registration, a reinstatement fee in addition to any late fees and tuition and fees will be charged. See the online fee schedules at http://www.utdallas.edu/bursar/ tuition/fees for fees associated with course reinstatement. No student will be reinstated in a closed course.

A student who fails to provide full payment of loans, tuition, and fees, including late fees assessed, to the University when the payments are due is subject to one or more of the following actions at the University's option:

• Classes may be cancelled;
• Bar against registration and/or readmission to the institution;
• Withholding of grades, diploma, and official transcript; and
• All penalties and collection actions authorized by law.

Students may refer to the Academic Calendar or the Tuition and Fees Schedule for information regarding payment and refund deadlines.
