Teacher Development Center: Persons who already have baccalaureate degrees may seek
teacher certification in all fields. They should consult with an advisor in the Teacher
Development Center to develop a certification plan after they have been admitted to the
University through the School of Interdisciplinary Studies as a post-baccalaureate student.
Post-baccalaureate students must meet the 24 semester credit hours requirement in the
appropriate teaching field. A certification plan will be developed based on an evaluation
of the student's transcript. Post-baccalaureate students must demonstrate computer
literacy, effective public speaking, and complete 12 semester credit hours of English. All
students must fulfill the UT Dallas requirements for student teaching or supervised
internship.
See the Teacher Development Center website at http://www.utdallas.edu/teach for the
most current information and course requirements.
