OB 6329 - Current Topics in Negotiation and Mediation

**OB 6329** Current Topics in Negotiation and Mediation (3 semester credit hours) Executive Education Course. A combination of lectures, readings, group discussions, and individualized study. This course is designed to meet the individualized interests of students within the domain of Negotiations and Mediation. Academic scholars from around the globe present their thinking on current topics in this field, and these will be discussed both in class and through written and presentation assignments. In addition to students' specific individual interests, selected readings that present current thinking, approaches, and practices will be discussed. (3-0) Y
