Supply Chain Management and Global Business (Double Major) (BS)

Bachelor of Science in Supply Chain Management and Global Business (Double Major)

Degree Requirements (128 semester credit hours)

The Bachelor of Science in Global Business (BS GB) and Bachelor of Science in Supply Chain Management (BS SCM) double major is a minimum 128 semester credit hours degree program that prepares students to address supply chain issues in global markets. The program emphasizes building key skills and competencies of global supply chain professionals such as cross-cultural communication, global value chain and foreign laws and regulations. Students also gain analytical decision-making and problem-solving skills through real-life consulting and global supply chain projects, and internships.

A minimum of 9 semester credit hours must be earned during a semester of study abroad. Any 9 semester credit hours from the degree plan may be chosen, however, students should be aware that study abroad courses are subject to a pre-approval process to ensure transferability.
