Global Business and Human Resource Management (Double Major) (BS)

Bachelor of Science in Global Business and Human Resource Management (Double Major)

Degree Requirements (128 semester credit hours)

The Bachelor of Science in Global Business (BS GB) and Bachelor of Science in Human Resource Management (BS HRM) double major is a minimum 128 semester credit hours degree program that prepares students to address human resource issues in global markets. The program emphasizes building key skills and competencies of HR professionals working with global talent and mobility such as cross-cultural communication, recruitment and selection for global projects as well as understanding foreign employment laws. Students also gain analytical decision-making and problem-solving skills through real-life HR consulting and global mobility projects, and internships.

A minimum of 9 semester credit hours must be earned during a semester of study abroad. Any 9 semester credit hours from the degree plan may be chosen, however, students should be aware that study abroad courses are subject to a pre-approval process to ensure transferability.
