Global Business and Supply Chain Management (Double Major) (BS)

Bachelor of Science in Global Business and Supply Chain Management (Double Major)

Degree Requirements (128 semester credit hours)

The Bachelor of Science in Global Business (BS GB) and Bachelor of Science in Supply Chain Management (BS SCM) double major is a minimum 128 semester credit hours degree program that prepares students to address supply chain issues in global markets. The program emphasizes building key skills and competencies of global supply chain professionals such as cross-cultural communication, global value chain and foreign laws and regulations. Students also gain analytical decision-making and problem-solving skills through real-life consulting and global supply chain projects, and internships.

An international experience is required for all Global Business majors. Students are encouraged to complete up to 6 hours in a foreign language. For additional information, please contact the Global Business Program Director.

Three semester credit hours of equivalent or similar upper-level courses from a global business/operations perspective, not listed or applied as credit hours elsewhere on degree plan, may be used to fulfill an elective with advance written permission from the BS GLBS and BS SCMT Program Directors.

The courses listed above can satisfy guided elective requirements in prior BS GLBS/SCMT catalogs, as long as semester credit hours are not applied elsewhere on degree plan.

All prerequisites must be met.

---

1. Incoming freshmen must enroll and complete requirements of UNIV 1010 and the corresponding school-related freshman seminar course. Students, including transfer students, who complete their core curriculum at UT Dallas must take UNIV 2020.

2. Global Business majors may complete their international experience with any of the following: a semester studying abroad taking at least 9 semester credit hours applicable to their major (NOTE: study abroad courses are subject to a pre-approval process to ensure transferability to their major); 2 JSOM faculty-led trip courses ("Regional Management Area Studies"); or an international internship (IMS 4090 or IMS 4V90).

3. Curriculum Requirements can be fulfilled by other approved courses from institutions of higher education. The
courses listed are recommended as the most efficient way to satisfy both Core Curriculum and Major Requirements at UT Dallas.

4. Indicates a prerequisite class to be completed before enrolling for upper-division classes.

5. A required Major course that also fulfills a Core Curriculum requirement. Semester credit hours are counted in Core Curriculum.

6. Students may elect to substitute MATH 2413 or MATH 2417.

7. In order to make timely degree progress, students should complete MATH 1325 or its equivalent by the end of their first semester at UT Dallas. Students who will not meet this requirement should contact their academic advisor to discuss their degree timeline.

8. Certain courses listed are prerequisites for major core, major concentration, or major related courses. Choose accordingly.

9. Students may elect to substitute MATH 2414 or MATH 2419.

10. Students may substitute MATH 2418 or CS 2305.

11. JSOM first-time-in-college freshmen are required to take BCOM 1300 in their first semester. Transfer students and students new to JSOM are required to take BCOM 3300 in their first semester.
