

OB6398 - Contemporary Issues in Organizational Development

[OB 6398](#) Contemporary Issues in Organizational Development (3 semester credit hours) Executive Education Course. A combination of lecture, readings, group discussion, and individualized study. This course is designed to meet the individualized interests of students within the domain of contemporary Organizational Behavior and Development. Academic scholars from around the globe present their thinking on current topics in this field, and these will be discussed both in class and through written and presentation assignments. In addition to students' specific individual interests, selected readings that present current thinking, approaches, and practices will be discussed. (3-0) Y
