

ECS1192 - Research, Inquiry, Design Experience

[ECS 1192](#) Research, Inquiry, Design Experience (1 semester credit hour) The RIDE projects are faculty led, team explorations for research, inquiry, or design. The projects are intended to be multi-semester so that students can continue working on the projects. These are transdisciplinary and multi-generational projects. Each project will be assessed by the faculty coach. May be repeated for credit (2 semester credit hours maximum). ([0-1]-[0-3]) R
