

IPEC4303 - Political Economy of South and Southeast Asia

[IPEC 4303](#) Political Economy of South and Southeast Asia (3 semester credit hours) South Asia is the Indian peninsula. Southeast Asia is the great swath of countries from Burma and Thailand through Malaysia to Indonesia and Australia. This is a region of great cultural, political, economic, religious, and historical diversity. This course surveys the region by selectively examining key countries and their mutual interactions. The major countries, which will always be included, are Pakistan, India, Thailand, Indonesia and Australia. Additional countries, which will be included according to interest and available material, include Nepal, Bhutan, Bangladesh, Burma, Vietnam, Malaysia, Singapore, East Timor and New Zealand. (3-0) T
