Business Administration

**BA 1100** Business Basics (1 semester credit hour) This course is an introduction to the study of business, with exposure to each of the business disciplines. Students will be introduced to the functional areas of business, learn about social entrepreneurship, begin to plan their business careers, and present a simple business plan. Required and open only to all first time in college freshman Naveen Jindal School of Management majors. Corequisite: [UNIV 1010](https://catalog.utdallas.edu/now/undergraduate/courses/univ/1010). (1-1) S

**BA 1310** Making Choices in Free Market Systems (3 semester credit hours) An introduction to decision making in the free market system. Models from economic and decision sciences provide a foundational understanding of how people make choices - as consumers, employees, managers, and citizens. We explore how the creative destruction of the marketplace expands social wealth, creating gains for some individuals and losses for others. Debates, case studies and simulations, introduce the psychological, social norm, and moral factors that influence how markets work and how, as a society, we interact with markets and the limitations that we sometimes impose on markets and choice.
